1 Channels above 100 require a CableCard, digital converter, digital adapter (where available), digital ready television or HDTV converter to view.

2 Channels require a Cable Card, digital converter, digital adapter (where available) or HDTV converter to view.

3 Channels will require a CableCard, digital converter or HDTV converter to view.

4 A digital converter or HDTV converter is required to view.

5 Channels require a CableCard, digital converter, digital adapter or HDTV converter to view. Minimum subscription to Digital Starter required.

6 A CableCard or Digital converter required to view.

* A CableCard, digital converter and/or digital adapter (where available) required to view.

† HDTV broadcast signals are included with subscription to Limited Basic Service. To receive HDTV signals provided by the Company, HDTV capable television set (not provided by the Company) or HDTV equipment and/or an HDTV capable digital converter are required. To receive Expanded Basic, Digital Preferred, Sports Entertainment Package or Premium HDTV signals, a subscription to that service is required. A digital converter or HDTV converter is required to view On Demand programming.

Subscription to a premium service and a digital converter are required in order to receive multiple screens and On Demand programming for that same premium service. Certain On Demand programming may require a subscription to other levels of service. The listed programs, packages, services, channel numbers, content, format and other aspects of Comcast's service are its current offerings and are subject to change or discontinuance at any time in accordance with applicable law. Federal law requires subscription to Limited Basic Service to receive any other level of video service. Other restrictions apply.

For questions, call 1-800-COMCAST.
