Become a Member of The Friends of Playwicki Farm Support Lower Southampton's Jewel

The Mission for Playwicki Farm is to protect and promote Playwicki Farm as a natural, cultural and recreational resource in Lower Southampton and to recognize the Farm's regional and national significance.

The Playwicki Farm

This unique park is an oasis with recreational opportunities geared to the surrounding population. Open space, walking trails, old growth forest, wetlands, picnic and play areas, agricultural land, a wildlife habitat and a renowned but now defunct quarry are all incorporated into one hundred and ten acres. There is also documented evidence of Native American habitation. In a relatively small space there is something for just about everyone.
