Dear Dolphin Customer:

We want to take this time to welcome you back to the Dolphin Swim Club. We welcome you to be our guest for a day or for the season. We have many new and exciting activities planned. Some of the new improvements for the 2012 season include new furniture, tile and coping for the large pool and the baby pool, salt water baby pool, new tile in the shower room, and a new snack bar menu. We continue to make many improvements in order to make the Dolphin Swim Club even better!

For the 2012 season we will no longer be offering memberships. Customers can choose to purchase a season pass or daily passes. Enclosed you will find the new Registration Form, Liability Waiver and Pool Rules. Please complete **all** forms in order to register for the new season. Your pass will not become active until all forms are completed and returned. There is a \$20.00 discount available on the purchase of a family, individual, or senior pass that will expire on February 10, 2012. To complete your registration you may mail your registration forms to the township building at the above address, drop them off at your convenience, or you can register at <http://www.lss-web.com> and follow the instructions. You may reuse your id cards from last year once all paperwork is complete and we have sent you a confirmation.

**You can begin to register starting January 3, 2012. Hurry, family passes were sold out last year!** If you have never paid for a pass prior to this year, please make sure you also submit passport size pictures of each person applying with their names and birthdates printed on the back along with your paper work.

We want you to have the first opportunity to register for the new season. We look forward to having you back for another great year at the Dolphin Swim Club!
